

# Kairios Values Perspectives Results Log by Perspective

SLVS March 2021 n=42

**Note:**

- Each cell represents one person in the group
- Note the relative proportion of each Perspective in the group
- Note the combinations of core and second Perspectives

**Questions:**

- What are your surmises about what each of these samples represents with regard to values worldview? Why?
- In what ways would you expect what you see in a seminar on Servant Leadership? What surprises you? Explain.
- In what ways would each of these Perspective combinations provide a diverse view on Servant Leadership? Discuss.
- What questions can you ask yourselves as a group that will help you to flesh out these Perspectives on Servant Leadership?
